Question: Farm - Income - Total Income

Generated: 2026-07-07 18:59

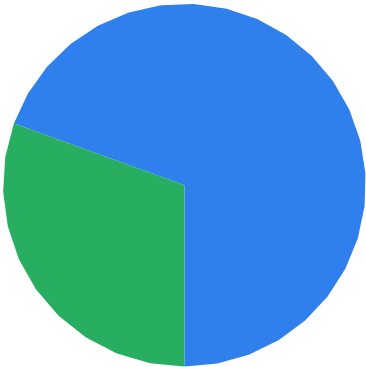

Farm - Income - Total Income

Total Income	Received	Outstanding
4,750,000	3,300,000	1,450,000

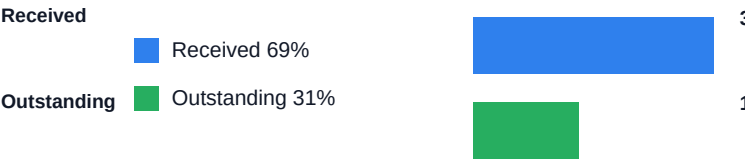

Monthly Income Trend

Received vs Outstanding

Collection Status Bar

Necessary Table

Metric	Amount
Total Income	4,750,000
Received	3,300,000
Outstanding	1,450,000
Rows	8

Management Note

- Outstanding represents 30.5% of the selected total.
- Use the trend line to check whether the current period is normal or an unusual movement.
- If the latest month is materially different from the prior trend, management should check the source category, customer, or payment timing before making spending decisions.
